

**Date of publication:** 31 March 2014

**Implementation:** To be determined by each Service

## **Change Notification UK National Blood Services No. 15 - 2014**

### **Paratyphoid**

**Applies to the Tissue Donor Selection Guidelines Live Donors, Tissue Donor Selection Guidelines Deceased Donors, Cord Blood Donor Selection Guidelines and Bone Marrow and PBSC Donor Selection Guidelines**

**Please modify the entry as follows:**

**See** [Chronic Infection](#)

**Reason for change** To replace the entry for paratyphoid with a link to chronic infection. By using a link it will make future changes to the guidelines simpler.

### **Typhoid**

**Applies to the Tissue Donor Selection Guidelines Live Donors, Tissue Donor Selection Guidelines Deceased Donors, Cord Blood Donor Selection Guidelines and Bone Marrow and PBSC Donor Selection Guidelines**

**Please modify the entry as follows:**

**See** [Chronic Infection](#)

**Reason for change** To replace the entry for typhoid with a link to chronic infection. By using a link it will make future changes to the guidelines simpler.
