

**Date of publication:** 26 May 2011

**Implementation:** To be determined by each Service

## Change Notification UK National Blood Services No. 9 - 2011

# Sexually Transmitted Disease

**Applies to the Tissue Donor Selection Guideline Live Donors, Tissue Donor Selection Guidelines Deceased Donors, Bone Marrow and PBSC Donor Selection Guidelines and the Cord Blood Donor Selection Guidelines**

### Sexual Partner

Please make the following changes

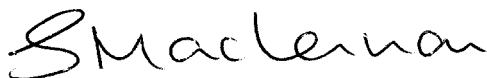

<b>Discretionary</b>	Add new discretionary section
	Donor did not require treatment and it is more than 12 months since the infected partner has completed treatment, accept.

<b>Reason for Change</b>	Change text to:
	Further discretionary advice has been added to allow acceptance of donors whose partners have completed treatment over 12 months ago for syphilis.

### Further information

The supporting paper, JPAC 11-07 Recommendations on a change to the Donor Selection Guidance for Syphilis, leading to this Change Notification can be found in the Document Library/Supporting Papers of the JPAC website:
